Motion made by Commissioner Gabrielson, seconded by Commissioner Lang to amend Personnel Policy D100 Sick Leave by amending the language in the last paragraph and adding an example as follows:

Upon retirement, employees with sick leave balances in excess a minimum of 960 hours of sick leave shall receive a "cash credit bank" to use only to pay retiree health insurance premiums. The "cash credit bank" is calculated at 25% of hours in excess of 960 hours but less that to a maximum of 1600 hours shall be paid 25% of the difference at the employee rate of pay upon retirement. This will be paid with their final paycheck.

#### **Sick Leave Severance Examples:**

- a. Employee has 900 hours at retirement. Not eligible for benefit.
- b. Employee has 1200 hours at retirement. 1200 -960 $240 ext{ x } .25 = 60 ext{ eligible hours}$
- c. Employee has 1600 hours at retirement. 1600 $\frac{-960}{640}$  x .25 = 160 eligible hours
- d. Employee has 1700 hours at retirement.
   1700 (over cap)
   -960
   640 (maximum allowed) x .25 = 160 eligible hours

#### Motion carried.

Motion made by Commissioner Tucker, seconded by Commissioner Lang to amend Personnel Policy D200 Rest Breaks by amending the language as follows:

Rest breaks provide employees with an opportunity for relief periods during the workday. Rest breaks are considered time worked and are not a guaranteed right, but a privilege.

Each employee is allowed a maximum of one fifteen (15) minute rest break during any work period of four hours or more. Rest breaks cannot be banked for use at a later time. Employees may not leave work early because they "worked through" a break **or be "combined" to extend an unpaid lunch period**.

Supervisors have the responsibility to see that rest breaks are scheduled so that service to the public is not interrupted. Supervisors are also responsible to see that rest breaks do not exceed fifteen (15) minutes between leaving and returning to the workstation which includes the time required to get to and from a rest period area.

If the work day exceeds 8 hours, rest periods are usually scheduled at the rate of one break for each four hours of work.

#### **Lunch:**

Lunch breaks of at least 30 minutes but no more than 60 minutes are required and unpaid. A mid-day break for lunch helps ensure a safe working environment and a more productive workforce.
