Res. #62-18

RESOLUTION

On motion of Commissioner Bennett, seconded by Commissioner Ankeny, the following Resolution was passed and adopted by the Mower County Board of

Commissioners at a meeting held July 10, 2018 at the Government Center, Austin, Minnesota.

WHEREAS, The Mower County Planning Commission, having presented to the Mower County Board of Commissioners, CUP #866 of H5 Properties, LLC c/o Dan Hodgman, landowners and petitioners, to be issued pursuant to the Mower County Zoning Regulations for the site to be used for:

To Amend CUP 586, 1) requesting relief from lot size standard & 2) no longer intending to expand existing community septic system. Wish to proceed with future development of existing lots using individual sewage treatment systems upon each lot.

Location: on a multiple parcels acre parcel, located in Section 32, Red Rock Township (T103N-R17W), and legally described as: PID 16.055.0620 & 16.055.0410 Meadows at Dobbins Creek: Block 1, Lots 20-24, 28 ,& 29; Block 3, Lots 2-14, Mower County, Minnesota on a parcel identified per tax records as 16.055.0620; and

WHEREAS, Notice having been duly given, a public hearing was held on the matter on June 26, 2018, at 7:00 p.m. in the Mower County Government Center, Board Room before the Mower County Planning Commission, on said petition;

WHEREAS, Notice having been duly given, a public hearing was held on July 10, 2018 before the Mower County Board of Commissioners, on said petition;

NOW, THEREFORE, BE IT RESOLVED, that the Mower County Board has reviewed, accepts and adopts the findings of fact of the Mower County Planning Commission in the five required areas, which is hereby adopted by reference and kept on file in the Office of Environmental Services; and

BE IT FURTHER RESOLVED, that said petition is hereby approved, as recommended by the Mower County Planning Commission with conditions as follows:

1. All conditions of CUP # 586 remain in effect and must be satisfied and shall complete by October 1, 2020, if not already complete. This condition excludes roads which are part of the plat which are not currently constructed or needed to support the lots affected by this CUP amendment; and
2. The lots for which this CUP amendment is requested may be developed for single-family dwellings if the soil logs, which must be completed by a licensed septic designer, indicate there is room onsite for a primary and secondary Type I septic systems which will meet the requirements of the Mower County Ordinance for construction; and
3. If the soil logs indicate that there are soils which will support two other septic system types (II, III IV or V); a variance shall be required before marketing subject lot for sale.

4. Holding tanks shall be prohibited as a type of septic system allowed for support of new dwelling on any of the lots affected by this CUP amendment; and
5. Soil borings shall be completed by October 1, 2018 and submitted to the Environmental Services Office to be placed on file. There shall be a map provided showing where each identified site (both primary and secondary) were located for each lot and the supporting soil logs shall be provided to the county for record and review. This deadline may be extended due to weather conditions this year which have not currently allowed for septic field work to be completed due to wet weather conditions. However, these soils reviews must be completed before any lots are marketed for sale; and
6. Soils logs and soils review shall also be reviewed and signed off by the county, confirming the soil profiles are as reflected in the documents being submitted; and
7. The county is accepting of lots, which are part of this CUP amendment, that are reflected in the plat as recorded but which may be less than 1.5 acres in size; and
8. If any of the lots are deemed not sustainable for the purposes of a septic system the lot must either not be used for development or left as open space. The “un-developable lot” may be sold to an adjoining landowner and combined with the adjoining landowner’s lot by covenant for sale and development as one lot. This “undevelopable lot may be divided into no more than two portions which will be conveyed to immediate adjoining landowners use and enjoyment or may be developed if combined by covenant; and
9. Applicant shall follow all state, federal and local regulations regarding the proposed use, and
10. This permit is based upon representation given by the applicant during the hearing process and any misrepresentation presented in this process may be grounds for revoking the permit.

This permit is issued in accordance with Article II 13-1 Subdivision of land and (originally) Division 2, Agricultural Section Amendment to CUP # 586 as previously granted; and Article I Division 6 (Conditional Use Permits) of the Mower County Zoning Ordinance (effective date 01/01/2003).

The Commissioners voted as follows: Commissioner Gabrielson ay, Commissioner Glynn aye, Commissioner Bennett aye, Commissioner Ankeny aye, Commissioner Reinartz aye. Passed and approved this 10th day of July, 2018 with a vote of 4-1.

Res. #63-18

RESOLUTION

On motion of Commissioner Gabrielson, seconded by Commissioner Glynn, the following Resolution was passed and adopted by the Mower County Board of Commissioners at a meeting held July 10, 2018 at the Government Center, Austin, Minnesota.

WHEREAS, The Mower County Planning Commission, having presented to the Mower County Board of Commissioners, CUP #867 by Daryle Irlbeck, landowner, and Mark & Samantha Irlbeck, petitioners, to be issued pursuant to the Mower County Zoning Regulations for the site to be used for:

add an additional dwelling to the quarter section in a mature wooded area in the Agricultural District. Also requesting relief from the subdivision ordinance requirement for platting (land split 2010).

Location: on a 124.87 acre parcel, located in Section 03, Racine Township (T103N-R14W), and legally described as: New property will be approximately a 5-acre portion of the following described parcel: Section 03 Township 103 Range 014 SE1/4 EXC 10AC & EXC 25.13AC OF E1113FT W1685FT S926FT S1/2 SE1/4, Mower County, Minnesota on a parcel identified per tax records as 15.003.0025; and

WHEREAS, Notice having been duly given, a public hearing was held on the matter on June 26, 2018, at 7:00 p.m. in the Mower County Government Center, Board Room before the Mower County Planning Commission, on said petition;

WHEREAS, Notice having been duly given, a public hearing was held on July 10, 2018 before the Mower County Board of Commissioners, on said petition.

NOW, THEREFORE, BE IT RESOLVED, that the Mower County Board has reviewed, accepts and adopts the findings of fact of the Mower County Planning Commission in the five required areas, which is hereby adopted by reference and kept on file in the Office of Environmental Services; and

BE IT FURTHER RESOLVED, that said petition is hereby approved, as recommended by the Mower County Planning Commission with conditions as follows:

- 1) Applicant shall follow all federal, state and local regulations regarding the proposed use; and
- 2) A Zoning Permit and ISTS Permit must be obtained prior to construction of the residence and/or any other structure; and
- 3) An ISTS shall be designed, installed and maintained according to MN Rules 7080 & Mower County's SSTS Ordinance; a primary and secondary TYPE I system site shall be located for future placement and placed on a map and kept on file in the CUP file and homeowner's records. The area should be preserved and protected from compaction and/or construction or other damages; and
- 4) Petitioner must sign a "Rural and Agricultural Home Owners Assumption of Risk Assessment Form" and have it recorded at the Mower County Recorder's Office; and
- 5) 911 addressing is required to be obtained through the Mower County Highway Dept. before construction; if the site is not already 911-addressed; and
- 6) The owner is also put on notice that portions of this property contain shoreland overlay. Shoreland overlay has higher zoning standards that must be adhered to for permitting. Permits may also be required for vegetation removal, grading, clearing etc. Please check with the local zoning authority prior to such activities or permitting for specifics; and
- 7) A survey is required in lieu of platting, but it must be recorded along with the deed; and
- 8) Wetland Review required: Petitioner must contact the Mower County SWCD regarding the Wetland Conservation Act and provide the County a copy of one of the following:
 - a. A "No Loss Determination" (no wetlands on site).
 - b. A "Wetland Exemption" (the act does not apply).
 - c. A "Wetland Replacement Plan" approval.
- 9) A conditional use permit shall become void if the use is established, but then discontinued for a period of one (1) year. (Refer Section 14-36 Discontinuance); and
- 10) A conditional use permit shall become void two (2) years from the date of approval by the County Board if no construction has begun or the use has not been established. For the purposes of this provision, construction shall include the installation of footings, slab, foundation, posts, walls or other portions of a building. Site preparation, land clearing or the installation of utilities shall not constitute construction; and
- 11) A violation of any condition set forth in a conditional use permit shall be a violation of this Ordinance and shall automatically terminate the permit (refer Section 14-35 Revocation); and
- 12) This permit is based upon representation given by the applicant during the hearing process and any misrepresentation presented in this process may be grounds for revoking the permit.

This permit is issued in accordance with Article II Division 2 Agricultural District & 14-18.4 Density Standards 5.19.2016 amendment; Subdivision Ord. 13-129/130 Section Sec 14-

51(bb) & Sec: 14-18.4 Residential Density Standards (d)(1)&(2) additional dwellings by CUP in mature wooded areas. Subdivision Ordinance. Section 13-129 Small Subdivision; relief from platting requirements requested; and Article I Division 6 (Conditional Use Permits) of the Mower County Zoning Ordinance (effective date 01/01/2003).

Passed and approved this 10th day of July, 2018.

Res. #64-18

**RESOLUTION APPROVING TAX ABATEMENT
FOR CERTAIN PROPERTY PURSUANT TO MINN. STAT. 469.1813**

On motion of Commissioner Gabrielson, seconded by Commissioner Ankeny, the following Resolution was passed and adopted by the Mower County Board of

Commissioners at a meeting held July 10, 2018 at the Government Center, Austin, Minnesota.

WHEREAS, Minnesota Statute 469.1813 gives authority to the County of Mower to grant an abatement of property taxes imposed by the County if certain criteria are met; and

WHEREAS, in addition to the statutory requirements, Mower County has adopted the Tax Abatement Policy for new construction of Single and Multi-family homes which includes criteria which must be met before an abatement of taxes will be granted; and

WHEREAS, Midwest Cabinetry & Millwork, LLC is the owner of certain property within Mower County, legally described as follows:

Lot 7, Block 3, Nature Ridge, Austin, Minnesota (PIN 34.465.0213)

WHEREAS, Sean Selmecki, Manager for Midwest Cabinetry & Millwork, LLC has made application to Mower County for the abatement of taxes as to the above-described parcel; and

WHEREAS, Notice having been duly given, a public hearing was held on July 10, 2018 before the Mower County Board of Commissioners, on said application.

WHEREAS, Midwest Cabinetry & Millwork, LLC has met the statutory requirements outlined under Minnesota Statute 469.1813 Subdivision 1(1) and Subdivision 2(i) as well as Mower County's criteria for tax abatement;

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF MOWER COUNTY, MINNESOTA:

1. Mower County does, hereby grant an abatement of Mower County's share of real estate taxes upon the above-described parcel for the construction of the single-family home.
2. The tax abatement will be for no more than five years commencing, in the tax year the property realizes a value increase over original value due to construction of the housing project. Partially constructed housing may result in an abatement in the first abatement year that may be significantly less than the following years. This will still be considered one of the five years of eligible abatement. In the event construction has not commenced within one year of approval, the abatement is eliminated and the property owner will need to reapply in accordance with this policy.
3. The County shall provide the awarded abatement payment following payment of due real estate taxes annually. One single payment shall be made to the owner of record at the time of the payment, by December 30th of that calendar year.
4. The real estate taxes to be abated shall be for up to the full amount of the real estate taxes collected due to the added tax base of the newly constructed housing/home annually. The current value of the property is not eligible for the

abatement, will not be abated as part of this program and is further defined as the "original value." Any eligible abatement years are calculated on the tax increase due to a value increase over the original value.

Passed and approved this 10th day of July, 2018.
