2.	Counts borrow loads on grading projects.	Daily

MOWER COUNTY CLASS SPECIFICATION

CLASS TITLE: Engineering Technician I

DUTY NO.	ESSENTIAL DUTIES: (These duties are a representative sample; position assignments may vary.)	FRE- QUENCY
3.	Assists engineering staff in the inspection of contractor activities and project specifications. Assists in measuring quantities and in the staking of various projects. Learns inspection techniques, standards and requirements through assisting staff and assumes more independent responsibilities with increased experience.	Weekly
4.	Assists personnel in the lab performing gradations and learning engineering procedures and design functions.	Varies
5.	Performs other duties of a similar nature or level.	As Required

Knowledge (position requirements at entry):

Knowledge of:

- Computers and computer software;
- General mathematical concepts, fundamentals and principles;
- General understanding of highway operations and functions;

Skills (position requirements at entry):

Skill in:

- Basic engineering drafting
- Mathematical calculations and the use of statistical packages
- Use and operation of computer equipment and the operation of basic software
- Communication, interpersonal skills as applied to interaction with coworkers, supervisor, the general public, etc. sufficient to exchange or convey information and to receive work direction.

Training and Experience (position requirements at entry):

Requires a High School Diploma or GED, or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job such as those listed above.

MOWER COUNTY CLASS SPECIFICATION

CLASS TITLE: Engineering Technician I

Licensing Requirements (position requirements at entry):

• Maintain Valid Driver's License. Prefer enrollment in a vocational or trade school in the area of civil engineering or related curriculum.

Physical Requirements:

Positions in this class typically require: balancing, stooping, kneeling, reaching, driving, lifting, fingering, grasping, talking, hearing, seeing and repetitive motions.

Incumbents are subjected to moving mechanical parts, personal injury, fumes, odors, dusts, gases, poor ventilation, traffic, chemicals, oils, extreme temperatures, work space restrictions, intense noise and travel.

Light Work: Exerting up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. If the use of arm and/or leg controls requires exertion of forces greater than that for Sedentary Work and the worker sits most of the time, the job is rated for Light Work.
