The first meeting of the Mower County Board of Adjustment was held on Oct. 16, 1974 at 4:30 p.m. in the Commissioners Room at the Mower County Court House. The first item of business was the election of officers. Mr. Trom nominated Mr. Chesebrough for chairman. The nomination was seconded by Mr. Schlichter. Mr. Chesebrough was elected chairman on an unanimous vote. Mr. Schlichter then nominated Mr. Trom for Vice-chairman. Mr. Chesebrough seconded the nomination. Mr. Trom was elected chairman on an unanimous vote. David Benson was elected to serve as secretary of the board.

A discussion of the procedures for the Board of Adjustment followed. Chairman Chesebrough cited guidelines suggested by "County Zoning Administration" and the board agreed to follow the suggested procedures.

The next item of business was a petition for a variance by Nicholas Reinartz. The petition asks that Mr. Reinartz be allowed to construct a manure stacking area within 300' of a stream. A report from Lawrence J. Landherr, MPCA, Rochester, was read and entered into the minutes. Mr. Landherr recommended that the variance be granted. Board members expressed a favorable opinion of the variance petition, and on a motion by Mr. Trom and seconded by Mr. Schlichter, the petition was granted.

There being no further business, the meeting was adjourned at 5:30 p.m.

Respectfully submitted,
