Mower County Planning Commission Members Present: Sheldon Lukes, Bev Weness, Myles Bendtsen

Commissioners Present: Garry Ellingson, David Hillier

Others Present: Diana Billings, Lori Lecy, Pat Oman, Denice Mudra, Daryl W. Franklin

The meeting was convened at 7:00 p.m. Diana Billings, DSU, proceeded to go through the changes in the Zoning Ordinance and discussed items that were presented and talked about changes made. She also talked about the new districts.

Long discussions took place on topics such as minimum lot size. It was felt that it was reasonable to have the 2 ½ acre minimum lot size. Also, discussion took place on moving the materials so they are not repeated in every section, but to a specific point. The Planning Commission and Board of Adjustment felt this was reasonable.

The meeting adjourned at approximately 10:00 p.m.
