

MARSHALL TOWNSHIP ROADS

TOWNSHIP 102 NORTH, RANGE 16 WEST

MOWER COUNTY, MINNESOTA

Be it resolved by the Town Board of Marshall Township, Mower County, Minnesota, that the roads and rights of way as shown on this map are hereby determined to be the duly established 4 rod (66') roads unless otherwise shown on this map. Be it further resolved that this map be filed with the County Recorder of Mower County for the purpose of giving to the public supplemental information as to the location of Township Roads and to provide notice that Marshall Township claims an interest in said roads.

It is the intent of this Township Road Map to identify and label all roads under Marshall Township jurisdiction and the roads so identified are considered to be full width Township Roads, 66 feet-wide (4 rods), 33 feet (2 rods) on each side of the centerline, unless otherwise noted. In those cases where the centerline of the traveled portion of the road and the land line (section, 1/4 section or property line) coincide, or are within 4 feet of each other, the right-of-way lines will be established by measurement from the land line (section, 1/4 section or property line). In those cases where the centerline of the traveled portion of the road and the land line (section, 1/4 section or property line) are separated by more than 4 feet, the right-of-way lines will be established by measurement from the centerline of the traveled portion of the road. In those cases where the centerline of the traveled portion of the road is not along a land line (section, 1/4 section or property line) the right-of-way lines will be established by measuring from the centerline. It shall be the responsibility of the Town Board to identify by a survey the centerline of such road prior to any alignment change or reconstruction thereof.
