## 8. Child Emergency Contact Information

---

You should collect each child's emergency contact information and keep it with your emergency kit(s). Licensed child care centers and licensed family child care providers already collect this information from parents/guardians upon enrollment.

Keep the following information with your emergency kit(s) in case of an emergency:

Child specific information:

- Child's name
- Child's address
- Child's date of birth
- (If applicable) Special instructions for children with disabilities or chronic medical conditions

Parent/guardian information:

- Name(s) & relationship to child
- Preferred contact information (i.e., phone number or email address)
- Alternate emergency contacts
- Individuals authorized for pick-up

For licensed family child care providers, this information is on the first page of each child's Admissions and Arrangements form. Keep a copy of the first page of each child's Admissions and Arrangements form with your emergency kit(s) so that the information can be easily accessed in an emergency.

Please note: Do not post any child-specific information with your emergency plan or share it with other parents.
