Mower County Family Connections

Family Facilitator Program

The Family Connections program encourages early intervention and prevention serving families with children under 10 years old.

Family Facilitation focuses on a family's strengths and needs.

Services can assist in making healthy connections with schools, service providers and linkage to community resources.

Participation is voluntary and all services are confidential.

Facilitation Services Include

- In-home Parenting Education
- Assistance in locating and accessing resources
- Communication with Schools
- Family Circle Meetings
- Support Groups
