

LOW INCOME

SEPTIC GRANT

MOWER
COUNTY

Mower County is able to provide a limited number of **first come, first serve grants** for low income families who need to replace their septic system. The grant funds are provided through the State of Minnesota, utilizing a combination of MPCA, BWSR and/or Watershed funds. The grant is reportable income (Federal W9 required) to the recipient, but the funds are not required to be paid back.

1. Must meet criteria for low income, currently \$70,550* for a household of 4. Documentation for all sources of income could include;
 - Last 2 years of tax returns
 - Benefits statement
 - Checking/saving account statements
 - Any combination of these
2. Must have failing septic system (Non-compliant inspection)
3. Requires septic permit, design, and installation by a licensed septic contractor
4. Payment is a joint check to applicant and licensed contractor

If you believe you may qualify for the low income grant, contact our office to schedule an appointment to review your situation and the grant application criteria. Please do not send us information.
